Preparing for admission to a MASSAGE & PHYSIOTHERAPY TRAINING INSTITUTE

POST-SECONDARY COURSES AVAILABLE AT THE UNIVERSITY OF LILLE

Candidates are eligible for admission to a training institute after one year of university studies:

- 1st year of PACES (option: physiotherapy preparatory studies)
- 1st year of STAPS degree (option: physiotherapy preparatory studies)
- 1st year of Healthcare science degree (option masseur/physiotherapist)

AND after an additional physiotherapy training course (coursework includes biomechanics, physiology, massage/physiotherapy assessments, psychology and ethics).

3-YEAR BACHELOR'S DEGREES

Theoretical grounding to prepare for further study up to master's level and/or civil service examinations.

FIRST YEAR COMMON TO ALL HEALTHCARE STUDENTS (PACES)

Admission to first year at a massage & physiotherapy training institute is subject to student evaluations, with rankings 50% based on the results obtained on the PACES programme (coefficients for medicine are applied) and 50% based on the physiotherapy module. Candidates must also make the selection in the examinations run by the three training institutes.

The three institutes in the Hauts de France region reserve 117 places (2016-2017 academic year) for students from the physiotherapy segment of the PACES programme at the Lille faculty of medicine.

In the event of failure to secure admission to one of the training institutes, students can request to be directly admitted to 2nd year provided they have validated 60 ECTS credits on the PACES programme.

Admission fees apply to the PACES programme and training institute (660 euros).

DEGREE SCIENCE AND TECHNIQUES OF PHYSICAL ACTIVITY AND SPORT (STAPS) OPTION PHYSIOTHERAPY PREPARATORY STUDIES

To secure admission to first year at a massage & physiotherapy training institute, candidates must have completed the first year of the STAPS degree (option: physiotherapy) and have made the selection in the examinations run by the three training institutes. The rankings are 50% based on the results obtained in year 1 of the STAPS course (excluding physical activities) and 50% based on the results obtained in the additional massage &

AND THEN?

Admission to year 1 at a massage & physiotherapy training institute is based on candidates' place in the rankings, determined by the average grades obtained on both courses.

After successfully completing the entrance examinations and depending on your place in the rankings, you will go on to complete a 4-year programme at a training institute.

Note: cost of €5,000 per year. Grants for healthcare and social studies available from the Conseil Régional : (tel. + (0)800 36 5485).

The information here is valid for the reference year 2018-2019. The academic programmes at ULille are subject to change in September 2020
