Which professions?

- I’m interested in economic and social current affairs and the business world.
- I have good general knowledge and a curious disposition.
- I want to understand the major economic issues and how the contemporary world works.
- I have achieved good results in mathematics and languages.
- Candidates should ideally have a secondary-level background in economics, social studies, science or management science.

Tell me more about ECONOMICS AND MANAGEMENT

Proffesional training in 2 years

- Theory combined with apprenticeships in the field. Selective admission.

DUT Company and Administrative Management

- Also available as parallel student/employee and 18-month programmes
- Provides a broad understanding of the principles and methods used in management. Three options are available: accounting and financial management (GCF) | organisational management (GMO) | human resources (HR).

DUT Logistics and Transport Management

- Also available as parallel student/employee and 18-month programmes
- Trains mid-level managers in logistics and transport. Curriculum covers business fundamentals: economics | law | management | statistics, as well as logistics and transport management, languages and more.

DUT commercial techniques

- Also available as parallel student/employee programmes
- Trains mid-level managers in all sales-related fields: market research, selling and marketing strategy, commercial communication, purchasing and sales negotiations, customer relations, etc.

After 2 years of Higher education

Whatever your background, you have the option of completing professional training. This course lasts one year and allows you to specialise, obtain a dual qualification or enter the job market after 3 years in higher education. This professional diploma is designed to lead immediately to employment.

AFTER A BACHELOR’S DEGREE

You can continue your studies to master’s level (5 years in higher education) in fields such as economics, management, banking, insurance, finance, teaching and research.

You can also sit all service examinations (national or regional) or entrance examinations for specialist schools (e.g. journalism).
